An award-winning venue, Avant Gardner is the crown jewel of New York City entertainment. The 80,000 square foot complex occupies an entire city block of industrial East Williamsburg, containing a compound of stages and full-service event spaces. Voted as North America's 'Best Large Club' in DJ Mag, Avant Gardner's diverse calendar celebrates community and culture, offering an endless range of experiences highlighted by the space's unrivaled audio visual features including a newly installed 200 foot wide, 15k resolution video wall. Hosting everything from live music and DJs to movie nights and corporate galas, the one-of-a-kind gem includes The Brooklyn Mirage, The Great Hall, and The Kings Hall, all serving as individual locales, or combined to make Avant Gardner the second largest entertainment venue in Brooklyn.

The great diversity of offers makes it a destination of choice for locals and visitors alike. Note, however, that many shows require reservations. The resort is 25 minutes east of midtown Manhattan in the heart of Brooklyn.
