About EA

Driven by passion, we are a global leader in digital interactive entertainment.

Headquartered in Redwood City in Northern California, we develop and deliver games, content, and online services for Internet-connected consoles, mobile devices, and personal computers. Through our cutting-edge games, innovative services, and powerful technologies, we bring worlds with infinite possibilities to nearly 600 million active players and fans around the globe, and are recognized for a portfolio of critically acclaimed, high-quality brands such as EA SPORTS™ FIFA, Battlefield™, Apex Legends™, The Sims™, Madden NFL, Need for Speed™, Titanfall® and F1®.

Discover Our Games

Our People

Everything we do is designed to inspire the world to play, and we believe we're at our best when we listen, learn, and empower each other. We celebrate openness and curiosity and are committed to making a positive impact in the world.

We hire creative, collaborative, inclusive people with diverse backgrounds who enrich our culture and challenge us to be better people and better at what we do. And we nurture inclusive leaders who foster a belonging culture – a place where everyone can thrive, fulfill their potential and make the best games. Find out what makes us different.

Our Practices

We believe in the power of positive play and that being part of a gaming community should be a fun, fair, and safe experience for all. We are equally committed to building a workplace that spurs creativity and innovation and is as diverse as the communities we serve.

As a leading global entertainment business, we want to inspire through our actions and create a positive impact in the world. This isn't a destination but an ongoing journey of transparency and continual progress. You can find out how we're getting on, and read our Impact Report.
