A dedicated language center with native teachers

**IMMERSE** is a dedicated team of highly experienced language specialists. Our vision and goal is to help students in Hong Kong be successful. We achieve this by applying our knowledge and expertise of exams, working with past papers and mock exams and remaining up-to-date with the requirements from the relevant exam boards and schools. We know what it takes to get high scores because we teach what our students need to know and the pitfalls they need to avoid.

### World Languages

At IMMERSE we offer you and your children the necessary resource to quickly master a language and learn about its related culture. Our dedicated instructors are highly experienced in teaching all ages ranging from primary school pupils to senior citizens. The most popular language courses Hong Kong we offer include:

- English
- Spanish
- Mandarin
- French
- Japanese
- And more !

### Coding Languages

Learning how to write code will provide you with a very valuable new skill that could help you in your workplace or open up new career opportunities. IMMERSE uses a fun and creative approach to teaching to teach the following popular computer languages:

- Scratch
-

- HTML/ CSS
- JavaScript
- mySQL
- C++
- And more !

## **Translation Services**

IMMERSE can help you reach out to new markets and customers by providing translations and guidance that will give you a strategic edge in achieving your goals. We will ensure that your intended message is correctly conveyed, making sure that its core meaning is not lost in translation, and that no cultural misunderstandings have been made.

- Your website
- Your campaigns
- Your brochures
- Your instruction manuals
- Your on-going customer correspondence
- And more !

## **Go Abroad!**

In our Go Abroad! program, you will be able to experience life in the country of your choice, by attending classes in the morning to improve language skills; and by living with a local family to experience first hand local culture.

Our Immersion programs can be tailor-made for you, from the length of stay, type of accommodation to choice of activities.

- Australia
- China
- Taiwan
- Japan
- Spain
- And more !
